Mr. Almon Poon became an Accredited Mediator (General) of the Hong Kong International Arbitration Centre in January 2003. Apart from acting as mediator both in Hong Kong and the mainland China, he has also applied his negotiations skills in helping clients to close deals and settle disputes in construction contracts. In his long-standing public services, he frequently engages in balancing conflicting interests and coaxing compromises between parties of complicated background, for example, resolving the differences between police constables and their management and the administration over the question of salaries and conditions of services, in the light of the potential ramifications on the public revenue, as well as officers of similar ranks in other disciplined services.

潘展鴻律師於 2003 年 1 月成為香港國際仲裁中心之認可專業調解員(普通事務)，除了在香港與中國內地擔任調解員外，他還應用協商技巧，幫助客戶就建築合約達成協議及解決糾紛。在他長期的公共服務中，他經常為複雜背景的多方，平衡利益衝突及促成諒解，例如關於警察員佐級人員，在顧及公共財政和其他紀律部隊的相互影響下，協調他們與管方及政府關於薪酬及服務條件的歧見。
