Press Release

12 February 2003

(for immediate release)

Article 23

As regards the Security Bureau's decision for not issuing a white bill, the Law Society believes that this is not satisfactory. Being pragmatic, however, we shall carefully study the bill once it is available, and would try our best to facilitate an in-depth and rational discussion amongst the public and all walks of life for the enactment of a piece of good legislation.

Ip Shing Hing
President
The Hong Kong Law Society
