Dear Mr Lintern-Smith,

**“Guangzhou Enterprises – Investing in Hong Kong” Symposium**

To promote economic interflow and co-operation between Hong Kong and Guangzhou under the framework of CEPA, the Government of Guangzhou Municipality will organise a three-day event, featuring “Hong Kong – Guangzhou Cooperation and Development” on 25-27 August in Hong Kong. About 500-700 delegates from Guangzhou will participate in the activities.

As part of the activities, Invest Hong Kong and Economic Commission of Guangzhou Municipality will co-host a “Guangzhou Enterprises – Investing in Hong Kong” symposium on 26 August. The symposium aims at promoting Hong Kong’s advantages to Guangzhou enterprises and providing practical guidelines to facilitate them to establish footholds in Hong Kong, in line with the “Going Out” strategies.

We cordially invite you to attend the symposium. Executives and members of your association are also welcome to attend the symposium to explore co-operative business opportunities with the Guangzhou enterprises. We enclose the programme of the symposium and the attending enterprise list for your reference.

We look forward to your early reply.

Yours sincerely,

(Ms Loretta Lee)
