INVITATION

Dear Sir or Madam,

It is my pleasure to invite you to attend the **1st Commercial Development Forum** of People's Republic of China which is held on November 27-28th in Beijing.

2004 is the third year of joining into WTO of China, and it is also the year of economic resurgence of the world. With the change of status in the international trade system, both the political environment and economic environment that face China have been changed dramatically. According to the requirement of scientific development concept with its core the "five balanced aspects" put forward in the third Session of The Sixteenth Central Committee of The Party, and in order to better adapt to national macro-economic control, and to well finish commerce related works during the transition period of joining into WTO, The International Trade Cooperation Research Institute of Ministry of Commerce will host and organize the "1st China Commercial Development Forum" in Beijing on November 27-28th, 2004. Now, I would like to inform you of the relevant matters concerned:

Content of the forum

The subject of this forum is "unified arrangement, opening-up and development". In accordance with the new commercial developing situation, the main points to discuss covers several significant areas such as: economic globalization and commercial development of China; analysis

and forecast of situation of economics and foreign trade of China; "Go to the outside" "Introduce into the inside" and the reform and opening-up of China; regional economic cooperation and

economic globalization; integration of domestic trade and foreign trade and the reform and opening-up of the circulating industry; the commercial environment of China and the development of enterprises. We will invite leaders of relevant ministry, famous scholars of scientific research institutes, and the high-level administrators of enterprises to deliver subject report and discuss.

This forum is organized by the International Trade Cooperation Research Institute, Ministry of Commerce, PRC. The International Trade Cooperation Research Institute will notify you about the specific details of this forum..

Please send people of your institute to participate in this forum, and inform the organizing committee of their names.

Look forward to seeing you.

Chai Haitao
