About GODIVA

When Lady Godiva, wife of Lord Leofric, protested the taxation of his subjects, she agreed to ride through the streets of Coventry "clad in naught but her long tresses", and so long as the residents remained in shuttered buildings their tax burden would be lifted. The following morning, she made her famous ride and, despite being the ultimate temptation, the delight of his subjects, ensuring Godiva's legendary status throughout the centuries.

With a Belgian heritage dating back to 1926, GODIVA Chocolatier is the global leader in premium chocolate. Inspired by the values of Lady Godiva – her passion, generosity, and pioneering spirit – GODIVA's legendary name has become a universal symbol of luxury, quality and the most delicious chocolate.

This year, Godiva has launched an array of premium mooncake collections from classic flavors to innovative infused chocolate creation.

Handcrafted from our range premium chocolates, luxury cacao flavors can be enjoyed in every gorgeous bite of our divine Chocolate Mooncakes.

Enjoy pairs of our divine Chocolate Truffle Mooncakes in every chest.

Please feel free to contact us for more information and we look forward to hear from you.
