

Our Vision

eBRAM tasks itself to elevate Hong Kong's arbitration and mediation services, and build capacity to meet the rapidly expanding demand for online dispute resolution services across the borders and a secure deal-making platform by utilizing innovative technologies to enable the city to become a LawTech centre and hub for international business dispute avoidance and resolution, and collaborate with global organisations and participating economies such as the Asia-Pacific Economic Cooperation (APEC), the Association of Southeast Asian Nations (ASEAN), Belt-and-Road countries and beyond.

About Us

eBRAM International Online Dispute Resolution Centre Limited (eBRAM) is an independent and not-for-profit organisation under Hong Kong law as a company limited by guarantee. It was established in 2018 with the support of:

- *Asian Academy of International Law*
- *Hong Kong Bar Association*
- *The Law Society of Hong Kong*
- *Logistics and Supply Chain MultiTech R&D Centre*

Our Services

eBRAM has developed its platform for Online Dispute Resolution, leveraging latest technologies including artificial intelligence, blockchain, cloud and soft robotics. Cybersecurity and data privacy are our top priority to ensure the protection of information in the eBRAM platform and communications. Our current services include:

- *e-Arbitration*
- *e-Mediation*
- *Secure Video Conferencing system*
- *Legally-binding e-Signature service*
