

Hong Kong Legal Cloud Portal

Developed by eBRAM and launched on 1 March 2022, this is the first cloud in Hong Kong tailored to the unique needs of the legal and dispute resolution communities, particularly those who work in micro-, small-, and medium-sized law firms, to assist them in enhancing efficiency by offering them secure and affordable data storage and fair online lawtech services.

Who is Eligible?

The Hong Kong Department of Justice will subsidise eligible legal and dispute resolution professionals in Hong Kong to use the Portal for **FREE up to 3 years**. The eligible subscribers include:

Solicitors admitted in Hong Kong or any one of the recognized jurisdictions as stipulated under section 2A and Schedule 2 of the Legal Officers Ordinance (Cap. 87)

Barristers who have attained the right to full practice in Hong Kong or any one of the recognized jurisdictions as stipulated under section 2A and Schedule 2 of the Legal Officers Ordinance (Cap. 87)

Mediators accredited by the HKMAAL

fellow or chartered **Arbitrators** of HKI Arb or CI Arb (East Asia Branch)

Key Features

Legal Document Exchange

Secure data storage and legal document exchange

- Enabling legal professionals to exchange documents with their clients within a secure environment
- Documents are stored securely in data centres located in Hong Kong
- Secured data localisation, authenticated external user access, shared access expiry, and disaster recovery support
- Up to 100GB online storage per user

- Powered by LexisNexis Advance® Hong Kong platform
- Enabling users to quickly locate their required information and streamline their research process by filtering by judges' name, representation, timeline, and/or by court, and contract templates

Hong Kong Research Platform

Comprehensive legal archive for online research

Machine & Human Translation Services

Precise legal document translation

Users may choose between the following translation services:

- AI Machine Translation currently available in English, Chinese (in traditional and simplified forms), Russian, Arabic & Spanish, with option of human professional translator to edit and refine the translation
- Translations of legal documents in all languages by human professional translators
