

## The YSG Think Tank 2022 Information Sheet

### A. Introduction

1. **Objective:** To encourage and engage young practitioners and trainee solicitors to develop solutions to address realistic legal issues or current hot topics in law.
2. **Format:** The YSG Think Tank is a competition where participants will work in teams to showcase solutions relevant to the theme through presenting their proposals to the judging panel on the Pitching Day via Zoom Webinar for a chance to win a prize.
3. **Eligibility:** All participants must be Law Society members with less than 10 years of PQE and/or trainee solicitors. Participating groups can invite Law Society members with PQE 10 or above and/or law students to provide support or advice, and acknowledge their contribution as non-competing participants.
4. **Prizes:** The three teams with the best solutions/performances will receive the following prizes:  
Champion team: HK\$10,000 worth of Fortress cash coupons  
1<sup>st</sup> runner-up team: HK\$5,000 worth of Fortress cash coupons  
2<sup>nd</sup> runner-up team: HK\$3,000 worth of Fortress cash coupons
5. Winning teams will also be invited to publish its solutions in Law Society's official journal *Hong Kong Lawyer*.
6. Merit prizes will be presented to teams with outstanding performance besides the best three solutions at the discretion of the organiser.
7. **Language:** All submissions and presentations in this event shall be in English.

### B. Registration

8. **Team size:** Each team should consist of 2-6 participants (the recommended team size is 4). Each participant shall only represent one team in this event.
9. **Team leader:** Each team shall nominate one team leader to serve as the main point of contact with the organiser throughout the event.
10. **Team name:** Each team shall propose a team name for this event.
11. **Registration instructions:** For those members who are interested in joining the event, they are required to complete the online registration form **at or before 12 noon of 12 May 2022, Thursday**. All participants must register individually and indicate their team names in the online form. Successful registrants will receive confirmation via email.

### **C. Problem statement and solution**

**12. Theme: Technology and the Environment – How to Make a Greener Legal Workspace**

**13. Problem statement:** Participating teams will first design/identify a problem statement in relation to the theme. The problem statement shall include (1) a one-line subject heading and (2) brief outline of the problem of not more than 150 words. The team leader shall submit the problem statement to the organiser for approval at [ruby.ng@hklawsoc.org.hk](mailto:ruby.ng@hklawsoc.org.hk) by the registration deadline, i.e. **at or before 12 noon on 12 May 2022, Thursday**. Please indicate your team name in your submission.

**14. Solution:** Participating teams will then work out a solution to answer their problem statements, and prepare a set of short presentation slides of which they will use to pitch their solutions to the judging panel on the Pitching Day.

**15.** Only shortlisted teams will be invited to present on the Pitching Day, and will receive the requirements of the presentation slides e.g. number of slides, submission deadline of the slides etc., and further information in due course.

### **D. Pitching Day**

**16.** Tentative details of the Pitching Day are as follows (subject to changes):

Date: 25 June 2022, Saturday  
Time: 10 am to 12 noon  
Format: Zoom Webinar

**17.** Each team will be assigned a timeslot to present their solutions with the submitted slides to the judging panel via Zoom Webinar, and answer any questions from the panel after their presentations. Owing to time constraints and to ensure a smooth operation of the event, only the judging panel can raise questions to the teams.

**18.** Each team shall nominate at least one but not more than three team members to present on the Pitching Day, not necessarily including the team leader. While attendance of all team members is not compulsory, participants are encouraged to join the Pitching Day as participants to support their presenters and to listen to the presentations of other teams.

**19.** The sequence of the presentations on the Pitching Day will be decided by a lot drawing session that will be broadcasted live via Zoom to all participants who will receive the link at a later stage.
