

## FINI User Registration Modernising Hong Kong's IPO Settlement Process

Hong Kong Exchanges and Clearing Limited (**HKEX**) will introduce a new platform, FINI (Fast Interface for New Issuance), to comprehensively streamline and digitalise Hong Kong's IPO settlement process as we build the Marketplace of the Future. Following the launch of FINI (tentatively in Q3 2023), all new listings in Hong Kong will be required to use FINI.

As legal counsels will be FINI users in the capacity of issuers' counsels or sponsors' counsels in new listings, please ensure your firm has successfully completed the online [FINI registration form](#) and submitted all the necessary onboarding documents as soon as practicable, prior to the launch of FINI in order to participate in new listings going forward.

Upon completion of your FINI Registration, please take part in the FINI External User Testing ("EUT") by completing the [EUT registration form](#) and reviewing the [EUT Information Pack for Sponsors, Intermediaries and Legal Advisers](#) published on the [FINI Webpage](#). Following your EUT registration, please provide HKEX with the name and contact of two representatives who will participate in the EUT via [projectfini@hkex.com.hk](mailto:projectfini@hkex.com.hk) and your firm will be assigned to a simulated IPO accordingly.

HKEX will be publishing further training materials on the [FINI Webpage](#) in due course. In the meantime, for more information and other FINI readiness materials, please visit the [FINI Webpage](#), or contact HKEX at [projectfini@hkex.com.hk](mailto:projectfini@hkex.com.hk) or +852 2211 5888.
