** Please arrive 15 minutes before the match for doing warm up exercise together.*

We may have one training session in the weekdays at night time. I will update you once the time is fixed.

For the SJC, the max number of player for registration is 30. I need to notify the host the players' number as well. Presently we have many players attend the training sessions. However, I cannot guarantee that everyone who has attended the training session and/or has registered will have a chance to actually play in the matches. All decisions to determine who will play each game and what is his position will be entirely on the hands of Mr. Lo, our coach. Having said that I strongly encourage you to join us.

Since I need to do the registration, would you please again let me know whether you like to play the SJC and your jersey number. You may have notified me your wish before this email. However, you still have to notify me one more time since I also need to know your jersey number. Thank you very much!

This is something dull and I don't like to mention but since the host of SJC has mentioned it, I need to remind you this matter without any choice. For your own safety, you should make sure that you have sufficient insurance coverage for your own at your own cost. Pursuant to the rules of the SJC, they disclaim all possible liabilities. For our team, the same arrangement applies as well. In other words, our team and I will not be responsible for any loss and damage suffered by any of you as a result of or arising from participating in the aforesaid game. For your information, SJC's rules are attached for your information.

For your information, SJC will kick off this Sunday. The match result will be shown in the SJCOBA's web site. Please feel free to visit it.
