

## *CPD Thanks for Your Help*

The Law Society's continuing professional development programme had a very successful year in 2007. 99 courses were conducted under the Continuing Professional Development Scheme.

The Law Society acknowledges the generous contribution of everyone who was involved in the presentation of the 2007 programme with a special note of thanks to those judges, barristers and others who are not members of the Law Society but who nevertheless volunteered their time to make the programme such a success.
